ASX Announcement

COMPLETION OF UNMARKETABLE PARCEL SALE FACILITY

Villa World Limited (ASX:VLW) advises that the VLW Unmarketable Parcel Sale Facility has been completed. Sale proceeds have been sent to securityholders today in accordance with securityholders' existing payment instructions.

As advised on 1 September 2011, VLW established a Sale Facility for securityholders with an unmarketable parcel of VLW stapled securities valued at less than A\$500 as at the record date of 29 August 2011, which enabled those securityholders to sell their unmarketable parcels of VLW securities without incurring brokerage or handling costs.

Under the Sale Facility, a total of 228,050 stapled securities were progressively sold between 17 October 2011 and 1 November 2011. The proceeds achieved under the Sale Facility were \$0.7421 per VLW stapled security and reflect the volume weighted price of all VLW securities sold under the Sale Facility by RBS Morgans as execution broker.

Following finalisation of the Unmarketable Sale Facility, the number of VLW securityholders has reduced from approximately 5,200 to 4,120.

Should securityholders have any questions relating to the Sale Facility, they should contact the Registry, Computershare Investor Services on 1300 651 684.
